Pretty Villa in the Countryside

Pretty villa in a peaceful area, close to a local café and minutes from the busy town of S. Brás de Alportel.

The villa is one storey with spacious entrance hall leading into a good sized open plan living/dining room with fireplace and fitted modern kitchen. 3 bedrooms all with fitted wardrobes and one with en-suite bathroom. Additional family bathroom. From the kitchen and two of the bedrooms you have access to a large covered terrace with BBQ area allowing for plenty of outdoor dining.

The garden is manageable and low maintenance but has plenty of room to add a pool (subject to planning permission). The property also benefits from a garage.
